**LO: As a writer, I will be able to write descriptive sentences.**

**Adaptations: Word mats, Sound mats, Personal dictionaries**

**Over Learning: I will be able to use adjectives.**

**WABOLL** *(What A Bad One Looks Like):*

*it was a great dress*

*(Note how I do not have any capital letter, full stop or exciting adjectives to add important details).*

**WAGOLL** (*What A Good One Looks Like*):

It was the most beautiful dress, it was long, bright yellow and had tiny little daisy flowers all over it.

*(Note that now I have a capital letter, full stop and descriptive language to support drawing a picture.)*
