

Head's Update

Dear Parents and Carers,

It has been another eventful week at St. Mary's CE Primary School, filled with exciting activities. A huge thank you to RAF Shawbury for hosting our Year 3 and 4 children for a fantastic STEM day. The children had an incredible opportunity to explore the wonders of science, technology, engineering, and mathematics in a unique setting.

Furthermore, we were delighted to welcome Severn Trent Water to our school, where they conducted two engaging workshops: "The Wonderful World of Water" and "Water Street Workshop." These interactive sessions provided our children with valuable insights into the importance of water conservation and sustainability.

I would like to say thank you to all staff members for their meticulous planning and preparation of our annual lockdown drill. Their commitment to ensuring the safety and well-being of our children is truly commendable. The drill was conducted in accordance with the latest Department for Education guidance, and I am immensely proud of how our staff and children responded with calmness and professionalism. A special thank you to PC Jack Harper for his guidance and positive feedback on our procedures.

It is with great excitement that I announce the official opening of our DoJo shop by Mr. Creber. Our Year 6 students have worked tirelessly to price all the items, which have been generously donated by the Fundraising Group. During a whole school assembly, children were informed about the shop's operations and how they can spend their hard-earned DoJos using a 'DoJo Debit Card' – a fantastic idea proposed by Zach!

Finally, I would like to address a matter that has been brought to our attention. We have received several messages regarding negative behaviour between children on the park and in the wider community, including hurtful comments being made on children's WhatsApp/Snap Chat accounts. While we appreciate you keeping us informed and raising our awareness of potential conflicts between children, the school cannot police activities outside the school gates. Some incidents are continuing in school which is causing an impact on the safety, teaching and learning of others. However, we will be working closely with CSO Robinson and PC Harper to conduct sessions within the school, addressing acceptable behaviour in public places and the criminal age of responsibility.

Thank you for your continued support and involvement in our school community.

Wishing you a fabulous bank holiday weekend

Sarah North
Headteacher

CONGRATULATIONS

Attendance during week starting – 29th April 2024

Attendance Target – 96%

Attendance This Week – 96.06%

Attendance This Year – 94.8%

Children who missed morning registration 5.86% (15 children)

Over a school year, we are due to be open for 190 days which equates to 380 sessions.

A morning registration at the start of school – 8.45am and an afternoon registration after lunch—1pm for the afternoon session.

Attendance is affected if a pupil is not present at school for any whole session including registration.

It is important that the children are at school on time every day to prevent disruption and upset to their day and for the rest of their class.

Parent Fundraising Group

We are a small team of Parents who are keen to raise extra funds for our school. Throughout the year, we organise extra fun events (big and small) for our school children and wider community.

If you would be interested in joining us or willing to help at an event, please email us or find us on Facebook.
