

Head's Update

Dear Parents and Carers,

It has been such a positive week at St Mary's CE Primary School.

The Year 4 cake and craft sale was a resounding success, raising an impressive £200, which has been donated to Down Syndrome Association and Shrewsbury Ark (homeless charity). A big thank you to the Year 4 children for their hard work in organising the event and the whole school community for supporting them.

The school choir had the honour of performing at the West Mids Showground as part of Shropshire Sings, showcasing their talents and representing our school with pride. We also extend our congratulations to our basketball team for their outstanding sportsmanship during the inter-schools competition.

On Wednesday, we hosted a 'Father's Day breakfast' for our fathers. It was a great success with bacon, sausage and hashbrown baps being served with tea and coffee. Thank you to everyone who attended and to Alison and her team for cooking and serving the delicious food.

We were also fortunate to have PSCO Robinson visit our Year 5 and 6 students to discuss important topics such as the criminal age of responsibility, bullying, and the dangers of picking up rubbish in the local area. These discussions are crucial in fostering a safe and responsible community for our children.

Thank you to all the parents who attended the RSE (Relationships and Sex Education) Workshop for parents on Friday. From the feedback received this event provided valuable insights to the resources being used in school next week.

Next week we will be joining the international movement, 'Refugee Week' to bring together people from different background to connect beyond labels. Refugee Week is the world's largest arts & culture festival celebrating the contributions, creativity and resilience of refugees and people seeking sanctuary. Established in 1998 in the UK, this annual festival aligns with World Refugee Day, celebrated globally on June 20th. Our children will have the opportunity to explore and reflect on this important topic, fostering empathy and understanding.

Finally, we want to share that our children have been choosing friends to be with in their next class. This process allows them to maintain their social connections and feel comfortable as they transition to new classes.

We appreciate your continued support and involvement in our school community.

Have a fabulous weekend.

Testimonials from some past students

"I completed my PGCE and QTS through Shropshire Primary Partnership. I am now working as a Year 2 teacher in one of the partner schools I trained in. I thoroughly enjoy my job and am lucky to be working with such a supportive team. I would highly recommend this course to anyone considering a career in teaching."
One of our teachers who qualified last year.

Personalised course tailored to us. Felt valued and supported and as a result are prepared, resilient and enthusiastic.

Wide range of immersive practical experiences to enhance our subject knowledge, with practical opportunities with Art, D&T and outdoor learning.

"Being a teacher is something I always dreamt of but never felt would be possible with a disability. I am deaf, a bilateral hearing aid wearer and during my PGCE, with the support of my course facilitator Greg and Chester University, I was diagnosed as dyslexic. Greg was very supportive ensuring that the course sessions he ran were as inclusive as possible. He liaised with other course tutors and placement schools on my behalf to ensure that adaptations, where necessary, were in place for me to succeed. I loved every second of the PGCE course and, despite the challenges, I can look back and smile."

Attendance during week starting – 10th June 2024

Attendance Target – 96%

Attendance This Week – 94.66%

Attendance This Year – 94.9%

Children who missed morning registration 9.77% (25 children)

Over a school year, we are due to be open for 190 days which equates to 380 sessions.

A morning registration at the start of school – 8.45am and an afternoon registration after lunch—1pm for the afternoon session.

Attendance is affected if a pupil is not present at school for any whole session including registration.

It is important that the children are at school on time every day to prevent disruption and upset to their day and for the rest of their class.

Parent Fundraising Group

We are a small team of Parents who are keen to raise extra funds for our school. Throughout the year, we organise extra fun events (big and small) for our school children and wider community.

If you would be interested in joining us or willing to help at an event, please email us or find us on Facebook.
